Novembre 2025

A small, scruffy dog with long, light-colored fur is lying on a dark-colored couch. The dog's head is resting on the couch, and its eyes are partially closed. The background is slightly out of focus, showing some furniture and a lamp. The overall lighting is soft and warm.

**Et si votre animal
pouvait vous dire ce
qu'il ressent ?**

A man in a grey polo shirt stands on the left, looking thoughtful with his hand on his chin. A female veterinarian in blue scrubs stands on the right, holding a clipboard and gesturing with her hand. A small, scruffy dog sits on a stainless steel exam table between them. The background shows a typical veterinary clinic with white cabinets, a sink, and a poster on the wall.
